About Princess Margaret Hospital

Princess Margaret Hospital and its research arm, the Ontario Cancer Institute, which now includes The Campbell Family Cancer Research Institute and The Campbell Family Breast Cancer Research Institute, have achieved an international reputation as one of the top 5 cancer research centres in the world. Princess Margaret Hospital is a member of University Health Network which also includes Toronto General Hospital and Toronto Western Hospital. All three are research hospitals affiliated with the University of Toronto and more information about UHN can be found at www.uhn.ca.
